Dear Mr. Ainsworth,

The members of the Orbit staff and the Class of '70 proudly dedicate this yearbook, the 1970 Orbit to you.

As students in your general science and earth science classes, we appreciated the fine job you did explaining the fundamentals of these courses to us. Your patience never gave way even when some of our experiments in lab actually did go down the drain.

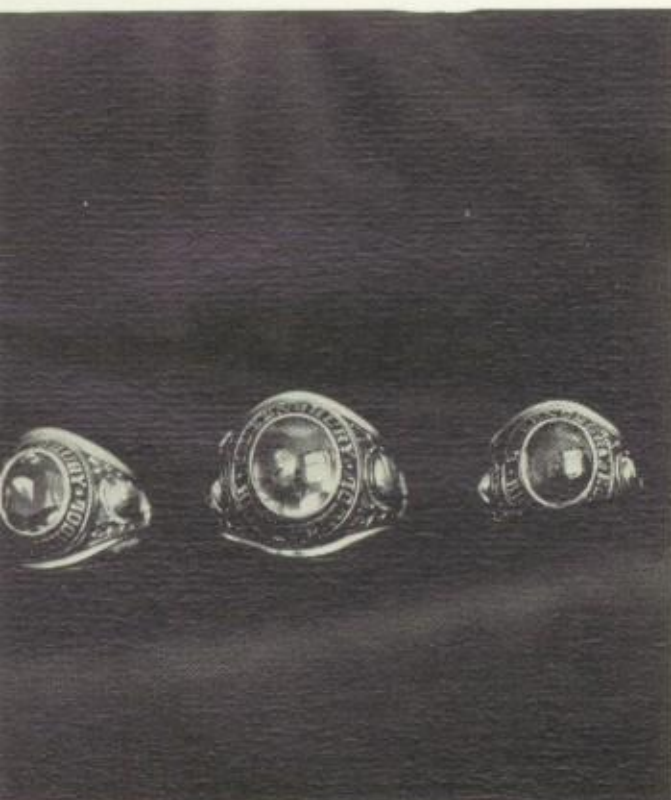

The members of the golf team will long remember you for the excellent job you've done as their coach. Not only have you helped improve the games of the individual players but you have helped mold their ideas of sportsmanship.

The Class of '70 owes you the biggest thank you of all. As class adviser for two years, you helped us become organized. No one will forget the long hours you put in during the candy bar and magazine sale and how, thanks to you, "Up, Up and Away" got off the ground.

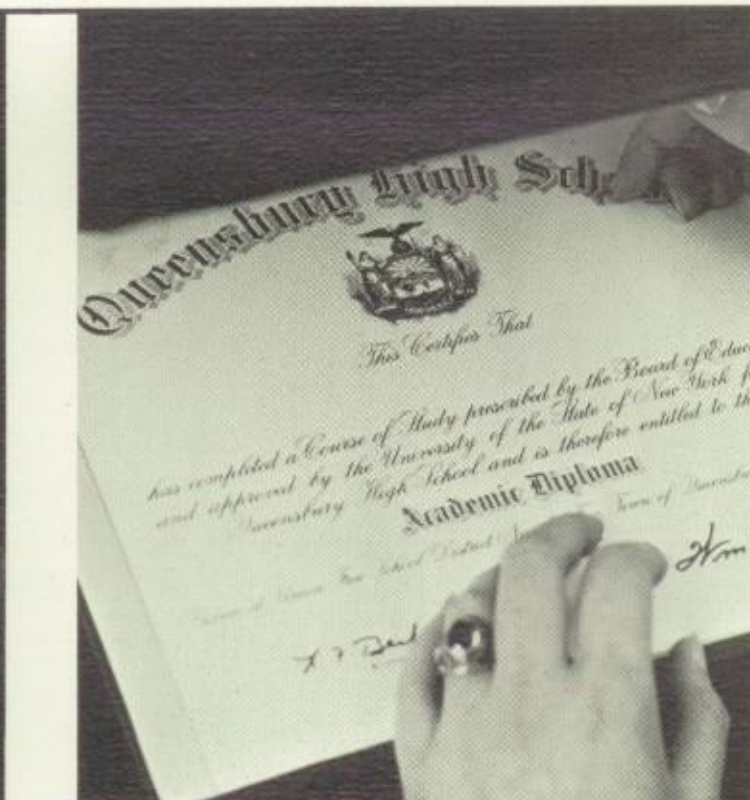

We hope this dedication will express the appreciation we feel.

Sincerely,

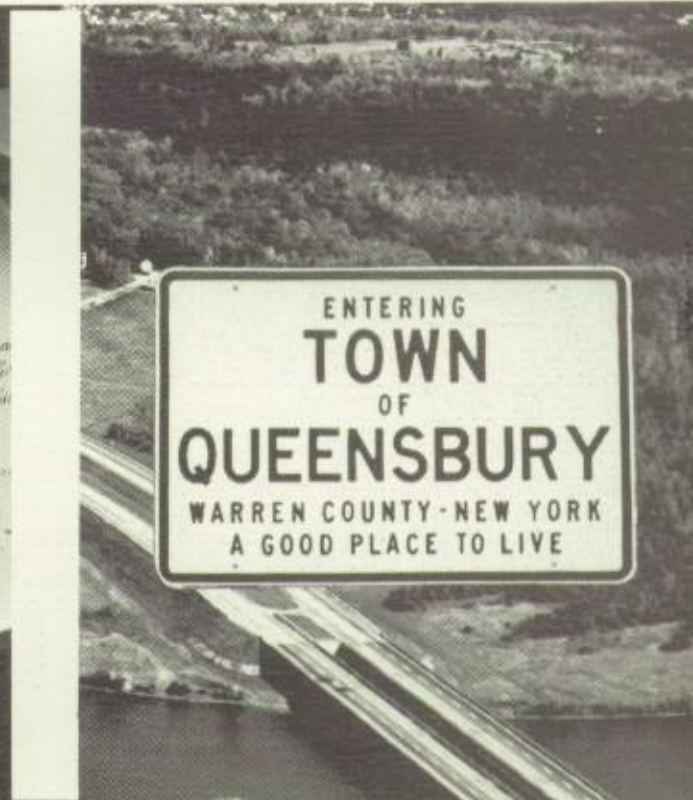

Orbit staff

Under the direction of Mr. Coccia, the Student Council meets every week to discuss student affairs. Some of the projects the Council has worked on this year include Activity Day, the talent show, pep rallies, checking parking stickers, scheduling assemblies, and early dismissal.

The early dismissal program was presented to the Board of Education on February 16, 1970, to be approved and was incorporated into school policy. This program enables students who meet certain requirements to leave school early.

Perhaps the best summation of this year's Student Council was given by the Council's president, Mike Kane, who said, "I can't say that we have done more this year than in past years, but I can say that what we have done is of higher quality."

Honor Society

In 1969, fifteen students - three seniors and twelve juniors - met these requirements and were inducted into the Society on November 21, 1969.

Football — '69

As the record indicates, this year's football team did not fare well with losses in all games except one. The departure of 23 seniors last year left the Spartans a young and inexperienced team. Spartan fans can look for brighter things ahead, however, as only eight starting seniors will be leaving the gridiron this year.

For their first game of the season, the team took a trip to Whitehall and were stunned in the first half by the Maroon's aggressive attack. The Spartans calmed down somewhat in the second half, but came up on the short end, 36-12.

The following week Johnstown, the Northern Conference's newest entry, subdued QHS 27-0 with the aid of a powerful running attack.

The next game proved to be a poor one as South High clouted the Spartans to the tune of 35-0.

During the last home game Spartan fans saw an inspired defensive unit halt the Tigers of Hudson Falls time and time again during the first half. Queensbury collapsed completely in the second half, however, and the final score read: HF - 35 QHS - 0.

Glens Falls came next, with long runs proving Queensbury's downfall. The Spartans scored late in the game, but it was GF - 34 QHS - 70.

The last week of the season brought a long awaited victory for the team as they beat Saratoga, 12-6. Down 6-0 at the half, the Spartans roared back with two touchdowns in the second half. Brad Hague and Dave Cross scored from one and twelve yards out respectively to help QHS end the season on a winning note.

Three Conference Champions

The Spartan grapplers, guided by coaches Jack LaBombard and Bill Smith, placed sixth in the Northern Conference.

Even though the matmen's season was a disappointing one, there were many fine individual performances. Mike Eggleston, Geoff Nestle, and Jeff Wilson gained Northern Conference Championships at 107, 115, and 123 respectively.

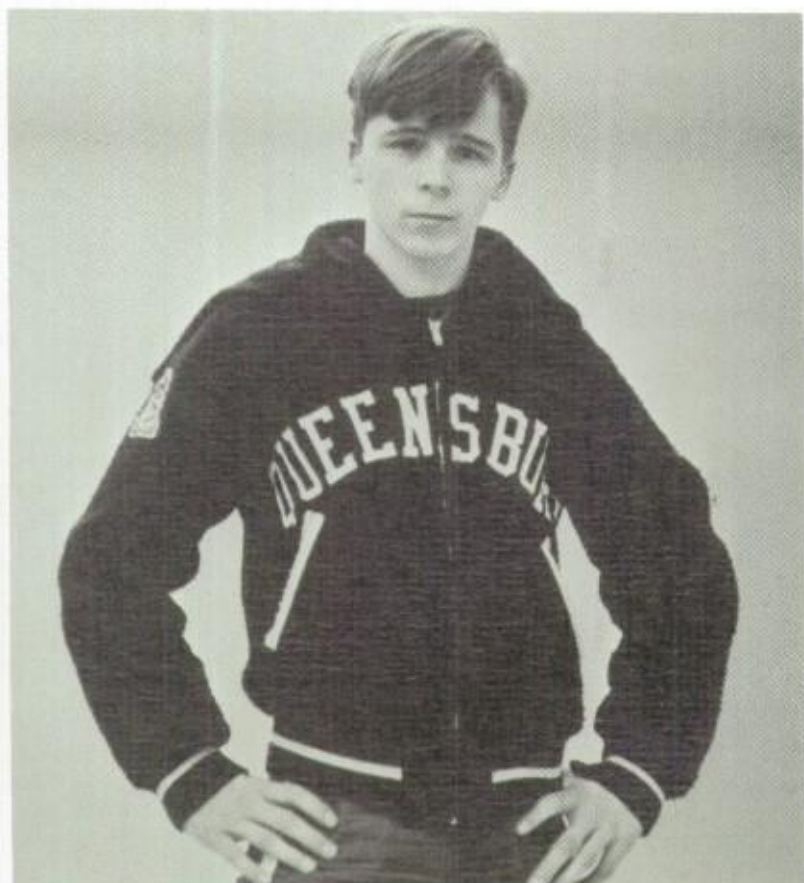

At the time this book went to press, the preceding three, as well as Dave Cederstrom and Dave Dolan, were preparing for the Section II Tournament.

With experienced matmen returning and new blood from the J. V. as well as the 7th and 8th grade teams, the Spartans look forward to the new season next year.

Queensbury Comes on

Strong Against Glens Falls

Josh reaches high to score two.

Tough Season Marked by Close Losses

The 1969-70 varsity basketball season had many ups and downs. Highlights included a perfect record (6 wins, 0 losses) against Northern Conference "B" division foes while the frustrations of going winless against "A" competition accounted for sad moments.

The Spartans started the season with a forty point win over Ticonderoga followed by a 69-50 triumph over Granville. After three more games, Queensbury entered the Christmas tournament and was defeated by Fort Edward 64-62. The cagers also were defeated the next night by Hoosic Valley by a close margin. Jay Marra was selected on the all-tournament team for his outstanding play.

Getting back into a winning streak with two successive victories over Corinth, the Spartans found the rest of the season disappointing, with close losses (six points or less) to such teams as Johnstown, Saratoga, and South High. High scorers were Josh Patrick and Jay Marra, averaging 14 and 12 points a game respectively.

Prospects look good for next year as Queensbury will have ten returning lettermen.

VARSITY BASKETBALL: Doug Harder, Jay Marra, Mark Dutra, Stan Pultorak, Dave Howe, Joe Lehet, Coach Cassella, Josh Patrick, Mike Williams, Jesse Fish, Bill Bishop, Chris Beaton, Bruce Beckerle, Ron Greene, Rick Missita.

As Rick and Paul look on, Tom Brower battles for a rebound.

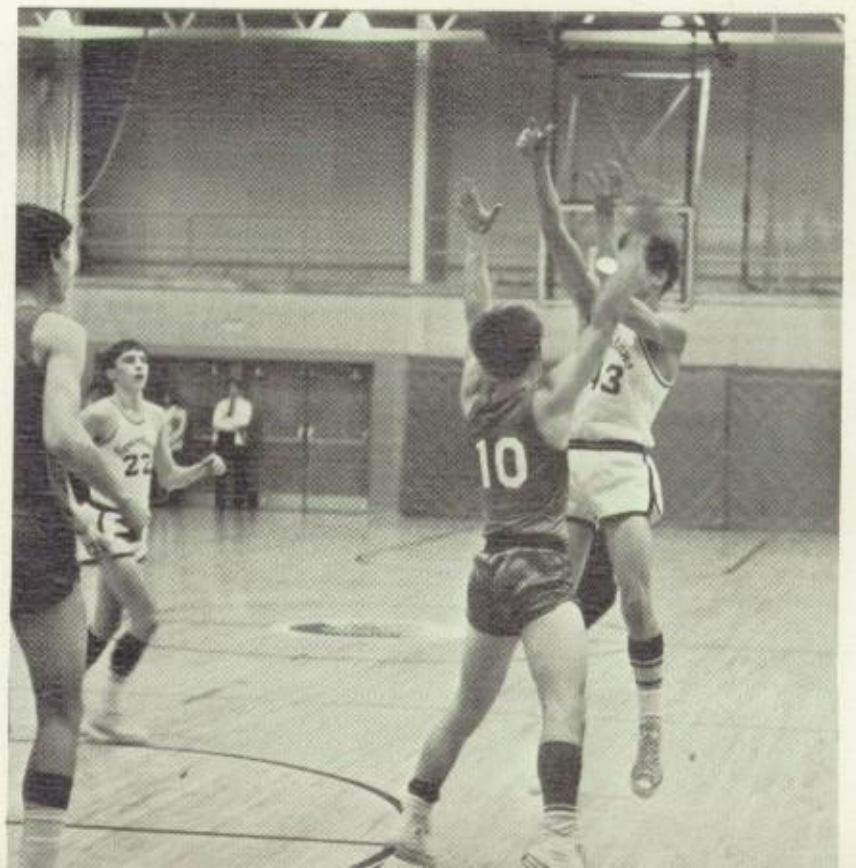

Eric Ainsworth "goes up strong" for two.
Kevin Martin sinks a crucial shot late in the game.

FRUSTRATING SEASON FOR J. V.

This season the Spartan J. V. 's did not fare well as injuries and lack of height hampered the team. Especially frustrating were late season losses to Saratoga and South High, which were decided in overtime.

Eric Ainsworth and Kevin Martin were the top scorers for the squad all year.

Signs of Seniors

As seniors and members of the class of '70, we look back on our high school years - years that hold many fond memories for us.

As freshmen we looked forward to high school with a sense of anticipation and, yes, fear. We didn't know what to expect; yet, we were excited. Our freshman dance, first venture in fund raising, proved to be a huge success - both socially and financially. We made new friends - and began to think of our futures seriously for the first time.

In our sophomore year we sold "World's Finest Candy" as was the tradition. Our dance "Happiness is Spring" was something we all enjoyed, even the work in preparing for it.

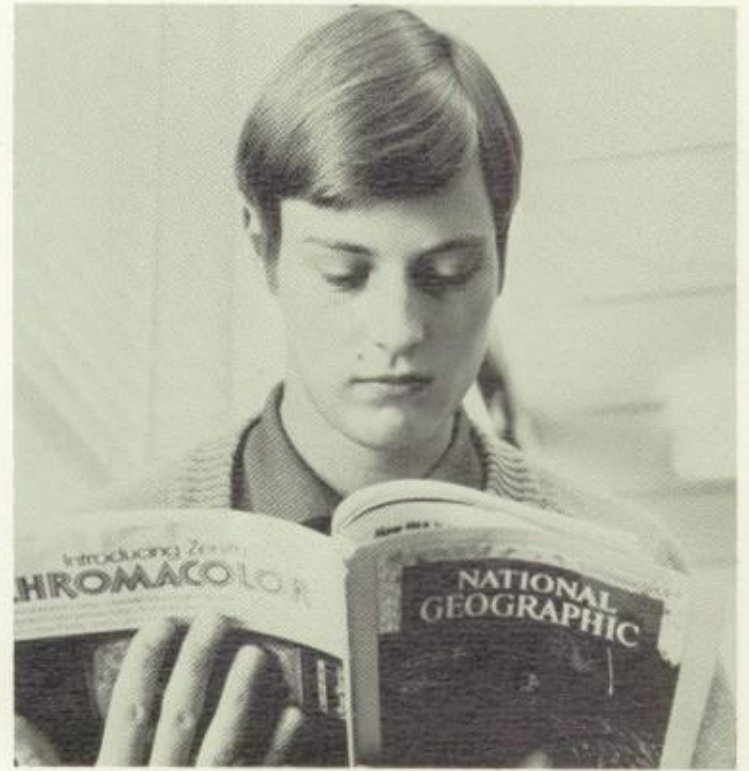

Selling magazines and purchasing our long-awaited class rings started off our junior year successfully. No one who struggled to sell magazine subscriptions can forget the adorable Snoopy dogs that came as rewards for a job well done. Finally came our Prom "Up, Up and Away." This was the first time members of our class had really been unified. We worked hard together to make our prom the best - and it was! Then with our guidance counselors, we began making plans for our future - college, jobs, the service.

As seniors we reminisce about our last year in high school. Our senior pictures were purchased; graduation announcements and caps and gowns were ordered - all in preparation for Graduation Day. Applications and notices of acceptance from colleges played an important part in the lives of many; while others looked forward to earning their own living, and some, to marriage.

Graduation, although signifying an end to our high school years, is really the beginning of a new way of life for us. The future - with all its uncertainties lies ahead, but not knowing what it will hold does not make it less exciting for us.

Tor and Rolf Contribute Much to Our Senior Year

Queensbury was honored to have two outstanding foreign exchange students this year.

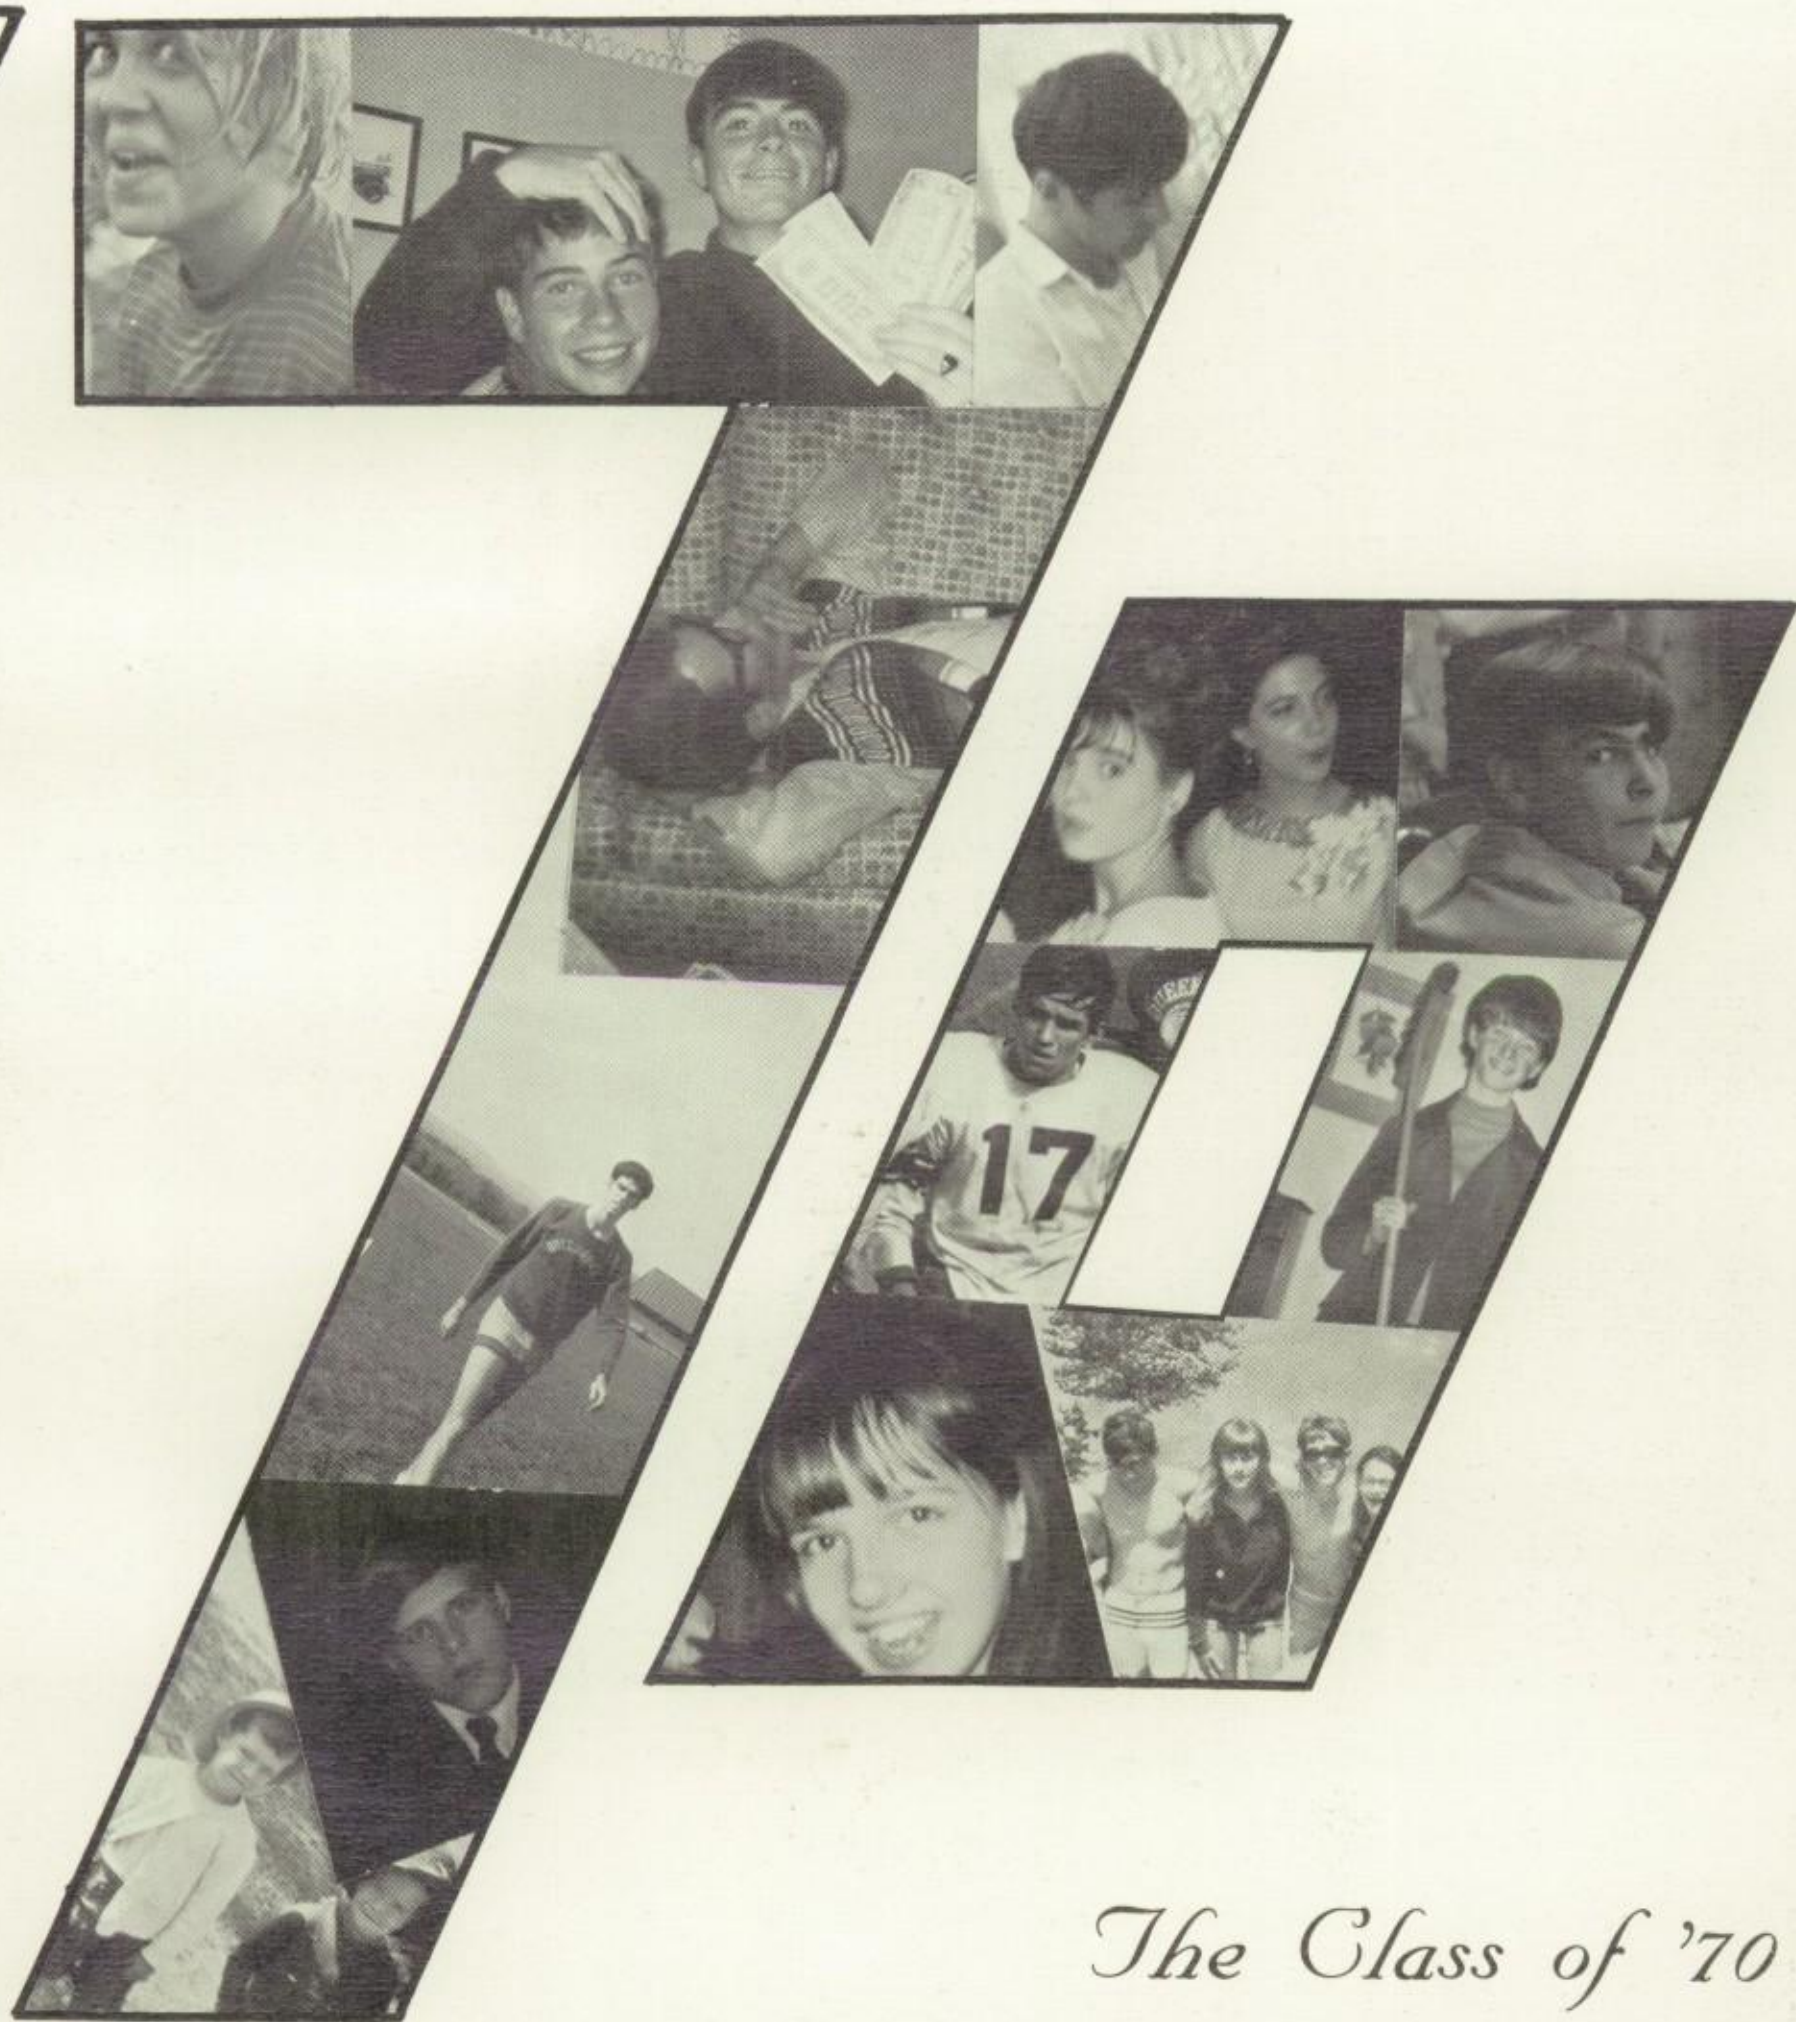

Torsten Lundberg (Tor) is from Uppsala, Sweden. He was sent by the Rotary in August and lives with Mr. and Mrs. Roger Hague of Rolling Ridge. Tor will be returning to Sweden in July, but he hopes to return to the United States to attend college.

Rolf Schumacher is from Ratingen, Germany; a suburb of Dusseldorf. He arrived in July, sent by the International Christian Youth Organization, and is staying with Mr. and Mrs. Robert Simmons. Although Rolf is returning to Germany in August, he plans to come back to the United States in two years for a tour of our whole country.

We all have enjoyed a year of friendship with Tor and Rolf, and we certainly hope that they will be able to return to our country soon.

A Sign of Success . . .

1969-1970

HERE'S TO YOU, CLASS OF '70!

A PARADE OF SENIOR YEAR EVENTS YOU CAN ENJOY NOW, AND IN SOME NOSTALGIC TOMORROW. WHEN YOU THINK BACK, WILL YOU RECALL . . .

With "One small step for man," Ed Armstrong left the first footprint on the moon. 300,000 people, and a 20 mile traffic jam, listened to the sounds of the Woodstock festival. The Amazing Mets beat Baltimore in a five game world series. To protect our National Christmas Tree, area students kept all-night vigils.

Butch Cassidy and the Sundance Kid, Midnight Cowboy, Easy Rider, Alice's Restaurant, Romeo and Juliet, were movies "everybody" saw.

Sly and The Family Stone, The Who, Creedence Clearwater Revival, and Joan Baez, ushered in the sounds of the seventies.

Arlo Guthrie ● Dustin Hoffman ● Peter Max
Rowan and Martin ● Johnny Cash ● Tom Jones ● Tiny and Mrs. Tim
Age of Aquarius ● In the Year 2525 ● Leaving on a Jet Plane
Eli's Coming ● Cherryhill Park
Miniskirts ● Maxicoats ● Bell Bottoms ● Choker Beads
Wide Ties ● Floppy Felt Hats ● Afro-Haircuts ● Moustaches ● Long Hair
Dodge Chargers ● Mustangs ● Camaros ● Rambler Scramblers

May these events become memories of an even happier tomorrow.

The people of the Glens Falls Insurance Company extend these reminiscences to the class of '70. We recognize that young achievement plays a big role in our own development. Why not stop in and talk to us about your future.

Glens Falls

Signs of Queensbury
